

## REGISTRATION FORM

The Courthouse Gallery is excited to present a two-part textiles workshop: the first workshop will allow participants to explore and learn about textiles from around the world, looking closely at two prominent Australian fabric designers Utopia Goods and Bonnie and Neil. We'll focus on how designers develop and produce their fabric, their technique options, suppliers and understand the end to end timeline of their craft. During this workshop, participants will have an opportunity to sample various fabrics, selecting their favourite to cover a lamp.

The second part of the workshop will continue looking at the techniques textile designers use to make fabric. Participants will be given the opportunity to work up their own design to screen print onto plain fabric and calico bags.

All screen printing materials will be provided for use. If you wish to screen print onto linen teatowels, please advise below, these will be an extra cost.

### Workshop Session TWO -

**When: Sunday 12 July, 10:00pm - 3:00pm**

**Where: Spinifex Hill Studio, 18 Hedditch Street, Port Hedland**

**How much: \$105.00 per person (Members \$95.00)**
